

Famous Last Words

Har Mar Superstar

Mama, oh why Mama
I'm going away tonight
Tomorrow, yeah tomorrow
Please tell me that you'll be fine
Tomorrow at sunlight
I WON'T BE HERE
Oh Mama, oh Mama please don't cry
I knew it
Yeah, I knew it
Born in this hotel room
Goddammit I'm dying in this hotel room
I blew it
Yeah, I blew it
Don't you dare ask your god to help me
There ain't no one who can help me
Mama, oh why Mama
I'm going away tonight
Tomorrow, yeah tomorrow
Please tell me that you'll be fine
Tomorrow at sunlight
NO I WON'T BE HERE
Oh Mama
Yeah Mama, please don't cry
You're right
It's time
I love you but this dying is boring
And there's no time to tell another story
Be kind
Just keep in mind
You're the only ones I like in my heart
But everyone still fits inside
Mama, oh yeah...
Hey yeah...
Mama, oh why Mama
I'm going away tonight
Tomorrow, yeah tomorrow
Please tell me that you'll be fine
Tomorrow at sunlight
NO I WON'T BE HERE

Yeah Mama
No Mama, please don't cry
Yeah Mama, I don't want to see you cry
