Should I?

D-Influence

Oh, oh, oh.

Seems you know just how I feel
and where I feel and when.
Seems you know that I'll be here,
but will you run again?
Wanna know just where you'll be
and where I draw the line.
Wanna know will you be here
and still would you be mine?

Oh, how you may be feelin.
Oh, seems we're on the run.
Oh, how you may be feelin'.
Oh, seems we've just begun.

The autumn gold, streets go cold
with thoughts of you and I.
The rain came and washed away
the patch that left to dry.
The question is, today, should I
forget your word to me?
The slightest word, the longest stare
-- am I too blind to see?

Oh, how you may be feelin'.
Oh, seems we're on the run.
Oh, how you may be feelin'.
Oh, seems we've just begun.

Should I? (Said I wanna know -- should I?)
Should I, should I, should I?
Should I? (I better take it slow -- should I?)
Should I, should I, should I?
Should I? (Please, baby, no -- should I?)
Should I, should I, should I?
Should I? (I gotta let me know -- should I, should I, should I, should I?)
Should I, should I, should I?

I get the strangest feeling

when at times we can't agree.
Seems sometimes we need to choke
a little just to breathe.
The slightest word, the longest stare,
the eyes affect my seeing.
The fascination into her
but you this kind to me.

Oh, how you may be feelin'.
Oh, seems we're on the run.
Oh, how you may be feelin'.
Oh, seems we've just begun.

Should I? (Said I wanna know -- should I?)
Should I, should I, should I?
Should I? (I better take it slow -- should I?)
Should I, should I, should I?
Should I? (Please, baby, no -- should I?)
Should I, should I, should I?
Should I? (I gotta let me know -- should I, should I, should I, should I?)
Should I, should I, should I?

Oh, how you may be feelin'.
Oh, seems we're on the way.
Oh, how you may be feelin'.
Oh, seems we've just begun.
