Ordinary (from ixora)

Copeland

Today was fine,
I woke up late like I always do,
Made work just in the nick of time,
And thought of you.And when I returned,
I found you just like I always do,
Waiting for me like you always are,Since you came along, my days are ordinary.
We laugh just like yesterday,
And I kiss you like the day before,
And I hold you just like ordinary.
Perhaps when the day is new,
We'll find tomorrow is just ordinary too.
Tomorrow came,
My shadow it was growing long,
I came to home to find you singing songs,
Just the same.And today it seems
You're smiling like you always are,
Everyday its the same old thing,
Since you came along, my days are ordinary.
We laugh just like yesterday,
And I kiss you like the day before,
And I hold you just like ordinary.
Perhaps when the day is new,
We'll find tomorrow is just ordinary too.
