

# Are You Teasing Me

**Daniel O'Donnell**

When we're all alone and I'm in your arms  
Are you teasing me  
When you're tellin' me how you thrill to my charms  
Are you teasing me?

Are you untrue when I'm not with you  
When we're apart are you free  
Tell me darling while our love is still young  
Are you teasing me?

You say that my kiss sends your heart in a whirl  
Are you teasing me  
And that you'll be mine till the end of the world  
Are you teasing me?
