

# I Wish I May, I Wish I Might

Carrie Newcomer

Sweet Corn Days in Oakland City  
The Apple Fest in Nappanee  
The Blueberry Cavalcade  
The Sacred Heart Polish Days  
Oktoberfest in Rensselaer  
Marshmallow Days in Ligonier  
The Feast of the Hunter's Moon  
The Pork and Pumpkin Rendezvous  
At this year's county fair  
All our friends will be there  
Gather kin and cousins near  
And everything we love is here  
Soybean Fest in Rising Sun  
Scarecrow Days in Wanatah  
The Bean Blossom Jamboree  
Maple Syrup Fest in Wawasee  
Popcorn Fair in Versailles  
The Mennonite Relief Quilt Sale  
A fish fry, gala, holiday  
Covered Bridge and Dogwood Days  
There'll be fireworks and lemonade  
A tractor pull and fine parade  
There'll a gospel jubilee  
Right before they crown the Sausage Queen  
Bingo games and polka bands  
Arts and crafts made by hand  
Pierogies, sweet corn on a stick  
Carnival rides, think of it  
Now I am grown, miles away  
From apple nights and limestone days  
I wish I may, I wish I might  
Be at the county fair tonight
