So Silly

Jasmine V

Tyga:
Dont Blame Yourself And Dont Blame Me
Cause We Was Both Fell In Love On A High Speed
Chasing Everything In Life But The Right Things,
Said You
Wanted Space, So I Made You Leave
You Came Right Back Said You Left Your Keys.
Wanted Space, So I Made You Leave.
Little Argument, Tears On Your Cheek.
Now Im Standing Here Feeling So Cold
Should We Work It Out? I Dont Even Know
Your Friends Always Tryin To Butt In,
Cause They Aint Got No-One Like Yo Man,
Look Broman I Dont Play That We Friend
Tell That Looker Lose Your Number Or Ima Lose Him
Its Always Two Sides Of The Story
And Now I Wanna Hear Yours Just Boring.
Could Of Compromised, Kept Going But Now Its Over
And Im Sorry.Jasmine:
Uh Uh, Uh Uh No No Way
