Do You Remember

She Craves

I wanna know where we were going
Seems I canâ€™t be sure of it anymore

I couldnâ€™t imagine, you couldnâ€™t pretend
I thought we were lovers, you thought we were friends
I could see you stare but I didnâ€™t care
I didnâ€™t care

Donâ€™t say, donâ€™t say, donâ€™t say, donâ€™t say

Do you remember the times gone by my friend?
Do you remember the life we use to share?
Do you remember the love you gave to me?
Do you remember, remember, do you remember

I can see it now. Youâ€™re long gone with no way out
You smile just ahead of your hidden doubt

I couldnâ€™t imagine, you couldnâ€™t pretend
I thought we were lovers, you said we were friends
I could see you stare but I didnâ€™t care
I still donâ€™t care

Donâ€™t say, donâ€™t say, donâ€™t say, donâ€™t say

Do you remember the times gone by my friend?
Do you remember the life we use to share?
Do you remember the love you gave to me?
Do you remember, remember, do you remember

Thereâ€™s no way out
No way out
No way out

Do you remember the times gone by my friend?
Do you remember the life we use to share?
Do you remember the love you gave to me?
Do you remember, remember, do you remember

Do you remember, remember, do you remember
Do you remember, remember, do you remember

Thereâ€™s no way out
Thereâ€™s no way out
Thereâ€™s no way outâ€¦
