

Irish Pub Song

The High Kings

Well, you're walkin' through a city street, you could be in Peru
And you hear a distant calling and you know it's meant for you
Then you drop what you were doing and you join the merry mob
And before you know just where you are, you're in an Irish pub
They've got one in Honolulu, they've got one in
Moscow too
They got four of them in Sydney and a couple in Kathmandu
So whether you sing or pull a pint you'll always have a job
'Cause where ever you go around the world you'll find an Irish pub
Now that design is fairly simple and it
usually works the same,
You'll have 'Razor Houghton' scoring in the Ireland - England game
And you know your in an Irish pub the minute you're in the door,
For a couple of boys with bodhrans will be murdering Christy Moore
They've got one in Honolulu, they've got
one in Moscow too
They got four of them in Sydney and a couple in Kathmandu
So whether you sing or pull a pint you'll always have a job
'Cause where ever you go around the world you'll find an Irish pub
Now the owner is Norwegian and the
manager comes from Cork
And the lad that's holding up the bar says 'Only Eejits Work'
He was born and bred in Bolton but his mammy's from Kildare
And he's going to make his fortune soon and move to County Clare
They've got one in Honolulu, they've got
one in Moscow too
They got four of them in Sydney and a couple in Kathmandu
So whether you sing or pull a pint you'll always have a job
'Cause where ever you go around the world you'll find an Irish pub
Now it's time for me to go, I have to catch
me train
So I'll leave ye sitting at the bar and face the wind and rain
For I'll have that pint you owe me, if I'm not gone on the dry
When we meet next week in Frankford in the fields of Athenry
They've got one in Honolulu, they've got one in
Moscow too
They got four of them in Sydney and a couple in Kathmandu
So whether you sing or pull a pint you'll always have a job
'Cause where ever you go around the world you'll find an Irish pub
They've got one in Honolulu, they've got
one in Moscow too
They got four of them in Sydney and a couple in Kathmandu
So whether you sing or pull a pint you'll always have a job
'Cause where ever you go around the world you'll find an Irish pub
Where ever you go around the world you'll
find an Irish pub'
