

# If I Knew Then

## Lady Antebellum

The first time that I saw you  
Looking like you did,  
We were young  
We were restless  
Just two clueless kids,  
But if I knew then  
What I know now  
I'd fall in love. You're on a bus in Chicago  
Three rows to the left  
You know my heart  
Is racing for you  
But we'd never even met  
If I knew then  
What I know now  
I'd fall in love. 'Cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile  
And takes every breath,  
Leaves every scar,  
Speaks through your soul  
And sings to your heart  
But if I knew then  
What I know now  
I'd fall in love. On a summer night  
In August  
Backseat of my car  
Said I'm trying to get  
To know you,  
I took it way too far  
But if I knew then  
What I know now  
I'd fall in love. Whoa  
'Cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile  
And takes every breath,  
Leaves every scar,

Speaks to your soul  
And sings through your heart  
But if I knew then  
What I know now  
I'd fall in love. Whoa  
I used up  
A lot of chances  
But you give them back  
But if again  
It comes crawling  
I'm gonna make it last 'Cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile  
It takes every breath,  
Leaves every scar,  
Speaks through your soul  
And sings to your heart  
If I knew then  
What I know now Whoa  
If I knew then  
What I know now I'd fall in love
