I'm Your Biggest Fan

Neal McCoy

You stand in line and you spend
Your hard earned dollar for a little piece of my time
You cheer me on right through the very last song
You say you came here to see me but thats only half the truth
The other half is simply that I came here to see you'Cause Im your biggest fan
No one I know, puts on a show quite the way you can
Hey, Im your biggest fan
And to me the best seat in the house is right here where I stand
'Cause Im your biggest fanWell, I thank you for giving me the chance to do what I love to do
And now its time to go but Ill try to keep in touch on the radio
Let every spotlight in the house turn and shine on you
So you can see whats it like from my point of viewIm your biggest fan
No one I know, puts on a show quite the way you can
Well, Im your biggest fan
So everyone stand up and give yourselves a hand
'Cause Im your biggest fan
