

# Like A Virgin Again

Chris Brown

[Chris Brown]Let it rain, let it rain, let it rain

Cause it's getting hot girl,

Give me all you got girl

Don't have to rush, ain't going nowhere

I'll take off your thong, put your legs in the air

Girl I'm gonna pick you up, pick you up

Rock you like a baby

Loving you so crazy

Im gone make you have a flash back

To your first time

But this time you know just what you like so. . .

[Chorus]Don't be acting shy up in this room

Like I make you nervous (ohh)

Ima take my time and do your body right

If you let me (uh huh) I promise

Ima make you feel like a virgin again, again

Ima make you feel like a virgin again, again

Ima make you feel like a virgin again, again

Ima make you feel like a virgin,

Promise ima make it all worth it

Ima make you feel like a virgin again

THIS IS FOR MY GROWN

THIS IS FOR MY GROWN ASS, SEXY ASS (WOMEN)

THIS IS FOR MY GROWN

THIS IS FOR MY GROWN ASS, SEXY ASS (WOMEN)

[Tyga]Let me kiss you to start it off

Damn your lips so soft

Make a nigga wanna bite them off

Ima be your porn star

Baby take your clothes off

Let me taste between your legs,

Damn, you got me so hard

If I get it ima hit it right (right)

I know you tired, it's the middle of the night

Wanna give you that good love

Fall in love with me shawty you just might

(ass up)

Legs up to the sky

I know this aint your first time  
So baby dont be. . .  
[Chorus]Dont be acting shy up in this room  
Like I make you nervous (ohh)  
Ima take my time &nd do ure body right  
If you let me (uh huh)  
Ima make you feel like a virgin again, again  
Ima make you feel like a virgin again, again  
Ima make you feel like a virgin again, again  
Ima make you feel like a virgin,  
Promise I'ma make it all worth it  
Ima make you feel like a virgin again
