

When I Fall In Love

Doris Day

When I fall in love it will be forever
Or Ill never fall in love
In a restless world like this is
Love is ended before its begun
And too many moonlight kisses
Seem to cool in the warmth of the sun
When I give my heart it will be completely
Or Ill never give my heart
And the moment I can feel that you feel that way too
Is when I fall in love with you. And the moment I can feel that you feel that way too
Is when I fall in love with you.
