Weak Man

Dan Baker

Jesus, give me Your heart
Let there be a death in me
I'm making room for all that You are
Give me Your heart
Jesus, give me Your heart
Break me down, build me up
Let who I was keep falling apart
Give me Your heart
My Creator, oh my Creator
May I be low, low, low so You're made higher
May I be low, low, low so You're made higher
And I'll be weak for You are strong
Weak for You are strong in the weak man
Jesus, give me Your heart
Burn away all the drugs
Come on, let the fire start
Give me Your heart
My Creator, oh my Creator
May I be low, low, low so You're made higher
May I be low, low, low so You're made higher
And I'll be weak for You are strong
Weak for You are strong in the weak man
I wanna make You higher
Lord, it's my heart's desire, oh
I wanna make You higher, ohh
May I be low, low so You're made higher
May I be low, low, low so You're made higher
And I'll be weak for You are strong
Weak for You are strong
May I be low, low, low so You're made higher
May I be low, low, low so You're made higher
And I'll be weak for You are strong
Weak for You are strong, weak for You I strong
In the weak man, yeah, in the weak man
