

# If I Were You

[Elvis Presley](#)

A sandman comes to my house late each night  
But it's way in the morning before he turns out my life  
It's times like this, my darling, I could see  
If I were you I'd know that I love me  
The great snowman I've been called by all  
But it looks like this time I'm gonna fall  
It's times like this, my darling, I can see  
Ooh, if I were you I'd know that I love me  
Wind and rain and storm closin' in on me  
I've walked the streets alone with my self sympathy  
Can you hear me saying hopefully  
Ooh, if I were you I'd know that I love me  
Wind and rain and storm closin' in on me  
I've walked the streets alone with my self sympathy  
Can you hear me saying hopefully  
If I were you I'd know that I love me
