

# Feeling Best

[Olivia Newton-john](#)

It took a long time but now I'm gonna be laughing  
A very long time when all I could feel was sad  
A very long time but now it's gonna be worth it  
'Cause I just found a friend to make me glad I'm feeling good, feeling better, I'm feeling best  
I feel a cut above the rest, I'm gonna put it to the test  
Feeling good, feeling better, feeling best  
Feeling good, feeling better, I'm feeling best I hope it doesn't sound like I'm blowing my own trumpet  
'Cause all I wanna do is join up with the band  
When you feel good, you gotta come right out and say it  
I've been so long at sea and I've just seen land I'm feeling food, feeling better, I'm feeling best  
I feel a cut above the rest, I'm gonna put it to the test  
Feeling good, feeling better, feeling best  
Feeling good, feeling better, I'm feeling best
