

# I'm A Gangsta

## Z-ro

[Incomprehensible]C'mon, I'm a gangsta

Yeah, motherfucker

I'm a thug

Please believe

I'm a pimp girl

C'mon, let's go

And I'm a hustler, a hustler

(Do it, do it, do it, do it, do it)

I'm a gangsta

Yeah, motherfucker

I'm a thug

Please believe

I'm a pimp girl

C'mon, let's go

And I'm a hustler, a hustler

(Do it, do it)

Yo, I'm a gangsta 'cuz I do gangsta shit

Matter fact from now on call me Gangsta Kiss

You already know I handle my business

Slay you then your man before the first candle's finished

Feel good when I walk through the hood

Best part is I don't gotta flow I just talk to the hood

And I do alotta readin' and only eat pasta

Shrimp fettucini and pine a la vaca

Came here talkin' slick, all that real shit

That's why I'm somethin' to deal wit

Even though I wanted Gore to win

I can fuck with Bush though

'Cuz he gon' let the raw come in

Bigger the boss, bigger the picture

Bullets is bisexual 'cuz they hit niggas and bitches

In a Deville with dubs in the back on a cell phone riffin'

I'm all of the above just listen

I'm a gangsta

Yeah, motherfucker

I'm a thug

Please believe

I'm a pimp girl

C'mon, let's go

And I'm a hustler, a hustler  
(Do it, do it, do it, do it, do it)

I'm a gangsta  
Yeah, motherfucker

I'm a thug  
Please believe

I'm a pimp girl  
C'mon, let's go

And I'm a hustler, a hustler  
(Do it, do it, do it, do it, do it)

Yo, I'm a thug so I blow on weed  
Get money like it grow on trees

Have all these hoes roll on E

Some of my niggas even stole on D's

Work 12 hour shifts, just gimme the word

I get 12 cowards hit, never givin' a fuck

18's on the Coupe, deuce O's on the truck

Tell P, hold the hammer while I handle the dice

Shoot him in his bandanna he ain't gamblin' right

I need a 360 Medina, charcoal gray

Treat my guns like my dogs, let 'em bark all day

In a three floor condo with the spiral stairs

Made it past the front desk then the rifle's here

I'm the motherfuckin' big shot, I get down

With a 17, 16, 10 and a six shot

Fuck with Kiss get your wig rocked

And if you're smart you'll bounce

When my motherfuckin' shit drop

I'm a gangsta  
Yeah, motherfucker

I'm a thug  
Please believe

I'm a pimp girl  
C'mon, let's go

And I'm a hustler, a hustler  
(Do it, do it, do it, do it, do it)

I'm a gangsta  
Yeah, motherfucker

I'm a thug  
Please believe

I'm a pimp girl  
C'mon, let's go

And I'm a hustler, a hustler  
(Do it, do it, do it)

Yo, I'm a pimp girl

Catch me at the bar with a bottle of Cuervo  
Mami's rubbin' my webo  
And this is what got me the ass  
Honey said her drink was hot  
So I put my watch in her glass  
Then she ain't even wanna get breakfast  
She just wanna hop right up in the truck and get reckless  
Top from the club all the way to the exit  
Ask me her name, couldn't tell you if I guessed it  
My bitches don't know nothing, don't say nothing  
And they pay for everything, I don't pay nothing  
I'm a white tee pimp, fresh headband  
Dirty denim, Timbaland or a Nike pimp  
I like to eat shrimp and I don't keep a broad  
Long enough to love 'em  
Now dog that's some deep shit  
'Cuz I don't believe in hoes explorin'  
No matter how bad you are, you gone in the mornin'  
I'm a gangsta  
Yeah, motherfucker  
I'm a thug  
Please believe  
I'm a pimp girl  
C'mon, let's go  
And I'm a hustler, a hustler  
(Do it, do it, do it, do it, do it)  
I'm a gangsta  
Yeah, motherfucker  
I'm a thug  
Please believe  
I'm a pimp girl  
C'mon, let's go  
And I'm a hustler, a hustler
