

All I Am

George Benson

Who do you think you see
When you look at me
Is it somebody strong
Somebody you could admire
And who do you think I am
When I take your hand
Are you counting on me
To fill your dreams and your desires

Well all I am
Is lonely (just) like you
All I wanna do
Is have one dream come true
All I am is handing you my heart
And hoping to be part of you

Who do you think you are
Standing in the dark
Are you waiting for me
Why can't I reach you from here
And how do I get to you
Won't you let me through
Don't you think maybe we
Have something special to be shared

Well all I am
Is lonely (just) like you
All I wanna do
Is have one dream come true
All I am is handing you my heart
And hoping to be part of you
