Come To Me

Diddy

It's Bad Boy
(Do it do it do it do it, do it do it do it)
It feels good to be back
(Do it do it do it do it, do it do it do it)
I missed ya
Relax your mind, let your conscience be free
You're now rollin' with the sounds of the BBE
(Just do it do it do it do it, do it do it do it)
You know what time it is
(Do it do it do it do it, do it do it do it)
Report to the dance floor
(It's Bad Boy)
Talk to 'em
See you out the corner of my eye
Leanin? on the wall, lookin' fly
I want you to come be with me
You?re the only one I wanna talk to
But I don't wanna rush
I?m here, when will you make your move?
I see you eyein' me
I want cha, why don't cha come to me?
I can be what you need, ooh baby
I?m standin', been waitin'
I?m yearnin?, ooh I?m burnin?
Get to know me, come and get to know me
Come show me that you wanna know me
You know what it is I?m back in the buildin?
(You know what it is)
Security strapped still stackin? a million
I stunt with the stallion, somethin? Italian
Or maybe Puerto Rican, you can catch me in Paris
I?m in it to win it, I'm willin? to carry
The game, if you think I?m not look at the carriage
Pop up clean up out of the Phantom
The people go screamin? like a opera anthem
I did it before, I?d do it again
I got it to blow, got it to spin
Flies before, cool as the wind
Got hits go back like juice 'n' gin, yeah

Shine the best and diamond necklaces
My extravagant taste, the style perplexes
They know I?m the sh**, they wanna get next
That?s why she havin? a fit ?cause she wanted to get next to him
(Yeah, you know my name)
I'm here, when will you make your move?
(You know my m********* name)
I see you eyein' me
I want cha, why don't cha come to me?
I can be what you need, ooh baby
I?m standin', been waitin'
I?m yearnin?, ooh I?m burnin?
Get to know me, come and get to know me
Come show me that you wanna know me
Anywhere I appear they all stop and stare
Admire your body language, speakin? loud and clear like
I want you to come be with me
She be waitin?, anticipatin? for oh so long
Fantasizing wild thoughts of me comin? on like
I'm here, when will you make your move?
She diggin? my style, my swag, my suede, my swerve
My way with words, the Boys absurd for sure
You can?t fall ?til my aura call
I make miracles like I walked on water
What you want mama?
Order, it?s on my tab
I?m so bad with the cash I dropped a whole bag
Where you at girl?
I'm here, when will you make your move?
I see you eyein' me
I want cha, why don't cha come to me?
I can be what you need, ooh baby
I?m standin', been waitin'
I?m yearnin?, ooh I?m burnin?
Get to know me, come and get to know me
Come show me that you wanna know me
I'm here right now can?t wait no more, no
You were the one who stole my heart
Can?t you see the wait is over?
(I knew it)
I need you to come closer
(From the very start)
This feeling is getting strong
(Oh lord)
You really got me hot

I see you eyein' me
I want cha, why don't cha come to me?
I can be what you need, ooh baby
I?m standin', been waitin'
I?m yearnin?, ooh I?m burnin?
Get to know me, come and get to know me
Come show me that you wanna know me
Do it do it do it do it, do it do it do it
Do it do it do it do it, do it do it do it
Why don't cha come to me?
I can be what you need, ooh baby
I'm here, you?re here, let's make it happen
Do it do it do it do it, do it do it do it
Do it do it do it do it, do it do it do it
Do it, do it, do it
Do it, do it, do it
(I like the way this one feels)
Relax ya mind, let your conscience be free
And now rolling with the sounds of the BBE
Do it, do it, do it
(Y'all know what it is)
Do it, do it, do it
(It's Bad Boy)
Do it
