Running Away

[Maverick Sabre](#)

Ahh, ahhh
VERSE
Lost in a grave
Concrete tower blocks
This rain don't seem to stop
I'm trapped in these chains
Stalking queues for drugs
I know that I aint far now
I pray for a change
But a change don't seem to come
Man, my faith don't feel enough, no
Cause this aint what i want to hear
BRIDGE
And i never thought
This life would be like this, no
CHORUS
Running away
I need to escape, far
Got to get away, from here
Got to get away
Running away
I need to escape,far
Got to get away, from here
Got to get away, from here
VERSE
None of my friends, speak
Say words don't mean a thing
They told us not to dream
See behind that fear
Just wont stop teaching us
That were not good enough
We pray for a change
But a change dont seem to come
Man, my faith don't feel enough, no
Cause this aint
What i want to hear
BRIDGE
And i never though, this life would be like this
No

CHORUS
Running away
I need to escape, far
Got to get away from here
Got to get away
Running away
I need to escape, far
Got to get away, from here
Got to get away, from here
VERSE
You dont feel this pain, in the clouds
Cause you're so far away
Yeahhh!
CHORUS
Running away, now
I need to escape, far
Got to get away from here
Got to get away, from here
Running away
I need to escape, far
Got to get away, from here
Got to get away, from here
Got to get away, from here
Got to get away, from here
