

# Facebook (The Musical)

## AVbyte

Time to check my facebook

- CHORUS -

Facebook Facebook  
Gotta check my facebook  
Gotta take another look  
Nothing new  
I'm hooked  
What to do?  
Hit refresh!

Facebook, Facebook  
Gotta check my Facebook  
Gotta creep on all my friends  
Every day  
There is no end  
It's the Facebook way

Oh my God, ten likes  
I'm soo popular!

Like a post  
Poke a friend  
Friend request  
Post a pretty picture from your vacation

Block your mom  
Click an ad  
Stalk your ex  
Share your dumb political opinion

Send a gif  
Send a jif  
Send a gif

Check to see who is celebrating birthdays

Play a game  
Candy Crush  
Solitaire

Bug friends with farmville updates every day

â€œ.....â€•

Thatâ€™s so basic! haha

- CHORUS -

Facebook Facebook  
Gotta check my facebook  
Gotta take another look  
Nothing new  
I'm hooked  
What to do?  
Hit refresh!

Facebook, Facebook  
Gotta check my Facebook  
Gotta creep on all my friends  
Every day  
There is no end  
Itâ€™s the Facebook way

Look who let their facebook up!

Yes, Facebook is the perfect place  
To keep in touch with old school friends  
With just a simple like or comment  
You can bet your friendship will not end  
Relationships mean close to nothing  
If they aren't put in your about  
Yes, if you're not Facebook official  
then the whole thing does not count

You really shouldn't get too comfortable  
with how your Facebook looks today  
â€˜cause knowing Zuckerberg  
he's probably about to change it anyway  
Yes, Facebook has its share of little problems  
With security and ads

Now maybe life without a Facebook  
Wouldn't end up being all that bad!

- CHORUS -

Itâ€™s the Facebook way
