

Touch Back Down (Live At the Spitz)

Catherine Feeny

You can't tell the truth, not even to yourself
It hurts too much to admit that it's in there
You can lie and dissemble with anyone else
But I know you like I know myself Touch back down will you?
Put your feet on the ground
And stay here with me Touch back down will you?
Let me look at you as you are
Touch back down I would love to hold you
I cannot get near you
I would love to show you But you are shuffling sideways
You think I don't notice
That you're slipping away Touch back down will you?
Put your feet on the ground
And stay here with me Touch back down will you?
Let me look at you as you are
Touch back down I have got to learn not to go choosing
The ones who don't choose me
'Cause I am always picking
The fruit that's furthest on the tree
It's sweetest to me Touch back down will you?
Put your feet on the ground
And stay here with me Touch back down will you?
Let me look at you as you are
