Start A Fire

Unspoken

This world can be cold and bitter
Feels like we're in the dead of winter
Waiting on something better
but am I really gonna hide forever?Over an over again
I hear Your voice in my head
Let Your light shine, let Your light shine for all to see(Chorus)
Start a fire in my soul
Fan the flame and make it grow
So there's no doubt or denying
Let it burn so brightly
That everyone around can see
That it's You, that it's You that we need
Start a fire in meYou only need a spark to start a whole blaze
It only takes a little faith
Let it start right here in this city
So these old walls will never be the sameOver and over again
I hear Your voice in my head
They need to know
I need to go
Spirit wont you fall on my heart now(Chorus)You are the fire You are the flame
You are the lightâ€ on the darkest day
We have the hopeâ€ we bear Your name
We carry the news that You have come to save
Only You can save(Chorus)
