Do It Again

Ten Foot Pole

dad can u spare $50suprise a musician down on his lucki could use a hand to pay the rent"son you could have been someone
a doctor, a lawyer, not a bumhave you learned you lesson? half your life is spent!"if i could turn backtimehit rewindif i could start all over again....id do it againi followed a dodgy path
playing songs not chasingcashshivering in a van in prague
i wont call my lyrics artbut some kids know the words by heartbond
i like to think we share aif i could turn back timehit rewind
if i could start all over.....id do it again
