

# Boomerang

## Relient K

Hey, I try to run away  
But everywhere I turn, I turn around  
And you're right back in my face  
And everything you say  
I can't get away from you  
I just can't escape

Cause you're at my favorite bar  
Your hoodie's in my car  
The smell of your Chanel 5 won't die hard  
Yeah I don't stand a chance  
You're hanging with my friends  
When I see you again that's when it starts

We break just like it ain't no thing  
But we ridin' on a boomerang  
Our love is like a rubber band  
Snap back, snap back  
Here we go again

Snap back, snap back  
Here we go again  
Snap back, snap back  
Here we go again

Hey, already on the way  
End up at your place when I should be driving home  
Girl what was I thinking  
Girl what was I drinking  
Trying to tell myself that it can't be wrong

You were at my favorite bar  
Your hoodie's in my car  
The smell of your Chanel 5 won't die hard  
Yeah I don't stand a chance  
You're hanging with my friends  
When I see you again that's when it starts

We break just like it ain't no thing  
But we ridin' on a boomerang

Our love is like a rubber band  
Snap back, snap back  
Here we go again

Snap back, snap back  
Here we go again  
Snap back, snap back  
Here we go again

We break just like it ain't no thing  
But we ridin' on a boomerang  
Our love is like a rubber band  
Snap back, snap back  
Here we go again
