

The Garden (Featuring Alice Cooper)

Guns N' Roses

You know you're all alone
Your friends they aren't at home
Everybody's gone to the garden
As you look into the trees You can look but you don't see
The flowers seem to tease you at the garden
Everybody's there, but you don't seem to care
What's it with you man, and this garden Turned into my worst phobia,
A crazy man's utopia
If you're lost no one can show ya,
But it sure was glad to know ya Only poor boys take a chance,
On the garden's song and dance,
Feel her flowers as they wrap around,
But only smart boys do without You can find it all inside
No need to wrestle with your pride
No you ain't losin' your mind
You're just in the garden They can lead you to yourself
Or you can throw it on the shelf
But you know you can look inside
For the garden I wasn't really scared
Lost my virginity there,
To a gypsy with blond hair
But now no one seems to care Like a mouse inside a maze
Wandering round 4 daze
With a smile upon my face,
I never want to leave this place Only poor boys take a chance,
On the garden's song and dance,
Feel her flowers as they wrap around,
But only smart boys do without Turned into my worst phobia,
A crazy man's utopia
If you're lost no one can show ya,
But it sure was glad to know ya Bye bye
So long, bye bye
It's glad to know ya Bye bye
Bye bye
Aw... so long
