

We Don't Need Another Hero [Thunderdome]

Tina Turner

Out of the ruins
Out from the wreckage
Can't make the same mistake this time
We are the children
The last generation
We are the ones they left behind
And I wonder when we are ever gonna change
Living under the fear, till nothing else remains We don't need another hero
We don't need to know the way home
All we want is life beyond
Thunderdome Looking for something
We can rely on
There's gotta be something better out there
Love and compassion
Their day is coming
All else are castles built in the air
And I wonder when we are ever gonna change
Living under the fear till nothing else remains All the children say
We don't need another hero
We don't need to know the way home
All we want is life beyond
Thunderdome So what do we do with our lives
We leave only a mark
Will our story shine like a light
Or end in the dark
Give it all or nothing We don't need another hero
We don't need to know the way home
All we want is life beyond
Thunderdome
