

Dysfunctional Professional

Backyard Babies

Well you been on top of the world
At least that's what I heard
I gonna ask you one more time
I can't sleep when you're around
And I care how sick you sound
I gonna ask you one more time
He was a friend of mine
Couldn't make it been shut down

Everywhere I turn
All the evidence burn
Dysfunctional professional

Now you're really in the dirt
Yeah you said that you've been hurt
I gonna ask you one more time
Do you sleep with one eye open
You deserve to be this broken
I gotta ask you one more time
He was a friend of mine
Couldn't make it , been shut down

Everywhere I turn
All the evidence burns
Disfunctional Professional
But everywhere I go
All my confidence grows
Disfunctional Professional

You dragged me down in your dirt
I was told the world
But received the hurt
You're so Professional
Disfunctional
