Neither Here Nor There

Lost in the Trees

... come in
nothing ever wanders
... light
glows at the forestgolden armor
nothing ever harmed her
...
and come back through the wateroh look in a golden light
after the sun burns out
loneliness you're haunting me
...we're neither here nor there
we're swept up by the sea
birds fly into my room
when you sat with mewe're neither here nor thereand I owned an art gallery
until you stole it from me
all the sons throw stones
and shattered all your windowsgolden armor
nothing ever harmed her
...
and come back through the waterburied under water
buried under wateroh look in the golden light
after the sun burns out
loneliness you're haunting me
...we're neither here nor there
we're some place in between
... in the swamp
...
Its neither here nor there
We're swept up by the sea
Birds fly into my room
When you sat with me
We're neither here nor thereburied under water
buried under water
ghost homeI start to remember
you're not the only one who knows
and now that I start to remember
you're not the only one who knows
and now that I start to remember
you're not the only one who knows
and now I start to remember

you're not the only one who knows
