PEACE & LOVE

Vant

Get busy there's a timeline
You're not the only one
I'll wait for you at the back of the queue
I know it's not your faultWe need peace and love
We need mother nature
For the same reasonWe want peace and love
We want mother nature
When they're in seasonHope, how'd you stand so tall?
You know our love is allHope, how'd you stand so tall?
You know our love is allSay something that can move me
Just say something at all
It's so easy to be muted
But you chose to stand so tall
'Cause baby I'm in awe
Everything's so smallWe need peace and love
We need mother nature
For the same reasonWe want peace and love
We want mother nature
When they're in seasonHope, how'd you stand so tall?
You know our love is allHope, how'd you stand so tall?
You know our love is allYou know our love is all
You know our love is allWe need peace and love
All you mother fuckers
For the same reasonWe want peace and love
All you mother fuckers
When they're in seasonBut the season's will change
Nothing remains
Now that peace and love have no meaning
