It Feels So Good

Sonique

You always make me smile, when I'm feeling down
You give me such a vibe, I is totally bona fide
It's not the way you walk, and it ain't the way you talk
It ain't the job you got, that keeps me satisfiedYour love it feels so good, and that's what takes me high
Higher than I've been before, and your love, it keeps me alive
Thought I should let you know, that your touch it means so much
When I'm alone at night, it's you I'm always thinkin' of, oh oh babyOh, won't you understand
How I feel, yeah, deep inside
Uh huh, you made me feel all I need to feel
Yes, in my heartYour love it feels so good, and that's what takes me high
Higher than I've been before, and your love, it keeps me alive
Thought I should let you know, that your touch it means so much
When I'm alone at night, it's you I'm always thinkin' of, oh oh babyYour love it feels so good, and that's what takes me high
Higher than I've been before, and your love, it keeps me alive
Thought I should let you know, that your touch it means so much
When I'm alone at night, it's you I'm always thinkin' of, oh oh babyYour love it feels so good, and that's what takes me high
Higher than I've been before, and your love, it keeps me alive
Thought I should let you know, that your touch it means so much
When I'm alone at night, it's you I'm always thinkin' of, oh oh babyYour love it feels so good, and that's what takes me high
Higher than I've been before, and your love, it keeps me alive
Thought I should let you know, that your touch it means so much
When I'm alone at night, it's you I'm always thinkin' of, oh oh baby
