Angel Carver Blues/Mellow Jazz Docent

Pavement

When they fall in
they fall in from the roof
they grab on to me tightly
as if i knew the way
when i fight for something
i fight because i care
when i fight with you
i fight but i don't care
Everybody wants the questions to be asked
the questions are the answers
to questions in themselves
ask me if i really need it
ask me if you want to get hit
hit it
Ask me if you want to be... fucked.
