Secrets

The Runaways

We speak in codes and no one knows
'Cause we're living a double life
Kept inside our love dreams hide
'Cause we're living a double life
Secrets, we're got dreams
Mysteries and crazy schemes
Secrets, we've got dreams
Secrets can't be seen
Out on the street the shadows meet
'Cause we're living a double life
We can't tell it fits so well
Thats we're living a double life
Secrets, we're got dreams
Mysteries and crazy schemes
Secrets we've got dreams
Secrets can't be seen
Shh, someone's coming
Shh, be quiet
If we get caught
Just deny it
