

One Honest Man

Cher

I cant find a four leaf clover anymore
I could find it if I wanted to
I believe if you put your mind to something
Well, there aint anything in this world you could not doBut I cant find one honest man
Why cant I find me one honest man
Dont understandThe only thing I ever wanted
Was a little bouquet of truth from him
But it gave me all the things you cant build love on
And I am on the wrong side of a broken heart againWhy cant I find one honest man
Why cant I find me one honest man
Dont understandIf a little bitty candle can light off the darkness
Why cant it shine its way through?
Ive been waiting a very, very, very long time
Aint no man ever gonna be trueDont understand
Aint there a man for meWhy cant I find one honest man
Why cant I find me one honest man
Dont understandWhy cant I find one honest man
Why cant I find me one honest man
Dont understandWhy cant I find one honest man
Why cant I find me one honest man
Dont understand
