

Slow Down

The Hollies

Got to stop from running
Got to make myself slow down
If I need some loving
Got to find some love around
I can't hold on
It's been so long
and I'd do anything
to find some love good love
If I slow down
if I take a look around
maybe I'll come across

some home sweet home

If I slow down
Yeah if I slow down
If I slow down
Yeah if I slow down
