

One Day

Blind Myself

Nobody feels guilty
Himself of the crime
The system is perfect
In peace, in wartimeIn this game
 I tell you, man
 You better be
A wolf than a lamb.Just as guilty as the other one,
Just as silly as another oneSailin from the ARARAT
 Sailing from that place
 Came so close to a cateract
Falling from GraceGet out, get away!The chain is as strong as it's weakest link
 The pride, your pride is the weakest linkGet out, get away!One day.
