

I Hope I Never

Split Enz

I fall apart when you're around
When you're here, I'm nowhere
I can't pretend that I'm not down
I show it, I know it I've been a fool
More than once, more than twice
I'm gonna move to a new town
Where the people are nice I hope I never
Have to sigh again
I hope I never
Have to cry again I still want to beam and smile
Happiness is back in style
I hope I never
I hope I never
Have to see you
Again It should be possible I know
To see you without stress
But I can see I'll have to go
I'm changing my address My urge to cry
I have failed to conceal
Life, is no fun when you're hunted
By the things that you feel I hope I never
I hope I never have to sigh again
I hope I never
I hope I never have to cry again I still want to beam and smile
Happiness is back in style
I hope I never
Have to see you
Again (I Hope I never) Life's for living while you can
I'm still an optimistic man
I hope I never
I hope I never have to see you
Again I hope I never
I hope I never
I hope I never
Never, never, never I hope I never
I hope I never have to see you again
