

Only Want You More

[Dwight Yoakam](#)

Hey girl, hey girl, you warned me to go
But girl, but girl, little did I know All the things you told me
About what lay in store
Would only make me want you more No, not a word had one chance to save me
From your love, that wicked love
There's not a prayer left for me escaping
From your love, yeah, that wicked love Oh, hey girl, hey girl, I begged and hollered please
But girl, but girl, even from my knees All the things you told me
About what lay in store
Only made me want you more No pain can stop or rid me what I'm needing
From your love, that wicked love
'Cause what I crave all night and end each day still seeking
Is your love, yeah, that wicked love Hey girl, hey girl, I tried to understand
But girl, but girl, there ain't no way I can 'Cause all the things you told me
About what lay in store
Only made me want you more Yeah, all those things you told me
About what lay in store
Yeah, they only make me want you more
