

Keep Gettin' It On

Marvin Gaye

Yeah, want to talk (Keep gettin' it on)
Talk about gettin' it on (Keep gettin' it on)
Well (Keep gettin' it on)
Early in the morning (keep gettin' it on)
Talk about gettin' it on (Keep gettin' it on) Oh, you want to have, some good lovin', oh
And plenty good times, oh, yeah
Don't just talk about it, everybody
Starts gettin' it on
(Keep gettin' it on, keep gettin' it on) oh Oh, would you rather make love, children?
As opposed to war
Like ya know ya should
Don't you love to love somebody, think about it people?
Makes you feel sooooo good, yeah, come on
Oh, don't you want somebody, think the good, yeah
Yeah, you got the goodness in ya
Come on just bring it on home
Whatcha waiting for? Oh, Jesus is trying to get the people to come on
To get it on
Yes, lord, oh, get it on (get it on , got to get it on)
(Get it on, got to get it on) people, let's get it on
(Get it on, got to get it on) morning through the nighttime
(Get it on, got to get it on) ow, ow
(Get it on, got to get it on) yeah, come on
(Get it on, got to get it on) come on, oh lord, baby, right now
(Get it on, got to get it on) oh, oh
Get, get on it, get it on
Get it on, come on, don't leave me
Oh, you won't be so lonely if you get it on
Ooh, get it on, love somebody good, yeah
Yeah
You know you've got to move on outta
And get it on, oh yeah
Get it on, aah
(Get it on, got to get it on)
(Get it on, got to get it on)
(Get it on, got to get it on)
(Get it on, got to get it on)
(Get it on, got to get it on)
(Get it on, got to get it on)

(Get it on, got to get it on)
(Get it on, got to get it on)
(Get it on, got to get it on) get it on...
