Shallow

Black Lipstick

Girl, don't tell me how you want me
Tell me how to get through
Girl, don't tell me how you want me
Tell me how to get through
'Cause I gotta know
I gotta know
I gotta know
I gotta know
I gotta know
I gotta know you inside out
Know what I'm talking about
You're taking me higher than I've been before
You're taking me higher than I've been before
And leaving me shallow
Girl, don't tell me how you need me
Tell me how to get through
Girl, don't tell me how you need me
Tell me how to get through
'Cause I gotta know
I gotta know
I gotta know
'Cause I gotta know
I gotta know
I gotta know you inside out
Know what I'm talking about
You're taking me higher than I've been before
You're taking me higher than I've been before
You're taking me higher
You're taking me higher
You gotta do what you do
Gotta say what you say
And lie to yourself forever
You gotta do what you do
Gotta say what you say
Lie to yourself forever
Girl, don't tell me how you need me
Tell me how to get through
Girl, don't tell me how you need me
Tell me how to get through

'Cause I gotta know
I gotta know
I gotta know
'Cause I gotta know
I gotta know
I gotta know you inside out
Know what I'm talking about
You're taking me higher than I've been before
You're taking me higher than I've been before
You're taking me higher
You're taking me higher
You're taking me higher
You're taking me higher
Me higher
