Bittersweet

Satanic Surfers

Advisory - the following lyrics contain explicit language:

All I ever wanted was to be the drummer in a band
Never claimed to be a Pot singer or a God I'm just a man
When I came here this I didn't have any better place to go
So pardon me if I'm not upkey
Whatever I'm not have sex and minimal done
I admit I might be wrong
Make up your own mind
Don't take it too seriously
That's the only advice you should take from me
That's the only advice you should take from meA happy pessimist singing a bittersweet serenade
a sellout some would say but at least I'm getting paid
While we all march down our identity parade
Do we bend out watch our dreams slowly fade
whatever I not have sex and minimal done
I Admit I might be wrong
Make up your own mind
Don't take it too seriously
That's the only advice you should take from me
That's the only advice you should take from me
