

# Insulin

## Tinfed

Missed severely  
Horrorific status  
Completed desirous  
Simplicity  
Intense and fast  
Velocity  
Meant to be last  
And the used shit is so hard anyway  
My insulin  
See here  
You want out of here  
Stuck in my room  
Intravenous  
The separate unwelcome pain  
Stained unclean  
Nixing nicotine  
And the used shit is so hard anyway  
My insulin  
See here
