Screaming Eagles

Sabatonâ•²

Crack of the lightning splitting the ground
Thunder is sounding, artillery pounding
Wrath of the Nazis cast on Bastogne
Facing their forces alone
ALONE!
ALONE!
Sent from the skies jumped into the unknown
The march to Berlin has begun
Spearhead the charge surrounded by foes
Eagles are leading the wayFrance is still under enemy rule
Push, axis retreat
Thrown towards Arnhem a bitter defeat
They're stretched out just one bridge to far
Turn of the tide, it's breaking away
Losing momentum, retreatGo to Bastogne, the crossroads must hold
Stand, alone in the coldCrack of the lightning splitting the ground
Thunder is sounding, artillery pounding
Wrath of the Nazis cast on Bastogne
Facing their forces alone
ALONE!
ALONE!Dig your own foxholes or dig your own grave
The storm is about to begin
The seige has begun, there's nowhere to run
Panzerkampfwagen emerge
Tanks and mortars are shaking the ground
Prey of man and machine
Crack of the lightning splitting the ground
Thunder is sounding, artillery pounding
Wrath of the Nazis cast on Bastogne
Facing their forces alone
ALONE!
ALONE!Chill of the winter bite to the bone and christmas is drawing near
Soldiers are freezing, the death toll increasing
They're dying in their holes
There's no surrender there's no retreat, the Wehrmacht is drawing near
There's no reinforcements - they're fighting all alone!
(Solo)
Sent from the skies ended up in Bastogne
As Easy, as hard as they get

Nazi command request and demand
Offered surrender - declined
"Nuts!" The General's word echoes clear!
"Nuts!" The Nazis shall hear!Crack of the lightning splitting the ground
Thunder is sounding, artillery pounding
Wrath of the Nazis cast on Bastogne
Facing their forces alone
ALONE!
ALONE!
