Empty

Ãœnloco

I look outside and see that everything is perfect
Except for me, I'll always be the one who sits and stares

And now and then, you're just my friend
Somone I could talk to
And it's killing me, it's just killing me

[Chorus]
I feel so empty inside
'Cause I'm a freak in your eyes
I feel so empty inside
And it's killing me

I look outside and see that everything is different
You'll never see inside of me, inside just who I am

And now and then you're just my friend
Someone I could talk to
And it's killing me, it's just killing me

[Chorus]

I, I'm outside looking in
I look into your eyes and see that you are perfect
Except for me, except for me
I feel so empty inside

'Cause I'm a freak in your eyes
I feel so empty inside
I feel so
I feel so
I, I feel so empty inside
