Life's Highway

Country Party Band

Sun is up time's at hand
There's a stir across the land
And so begins another day
On life's highwayOn city streets down country roads
Like a stream the people flow
There's bread to win and tolls to pay
On life's highwayThere is hope with every turn
A bridge to build, a bridge to burn
Heres hoping you never go astray
On life's highwayWe are young then we're old
Passing through then passing on
Like the roses bloom and fade
On life's highwayStep by step, round and round
Never knowing where we're bound
From the cradle to the grave
On life's highwayThere is hope with every turn
A bridge to build, a bridge to burn
Heres hoping you never go astray
On life's highwaySun is up time's at hand
There's a stir across the land
And so begins another day
On life's highway
