

# Life's Highway

## Country Party Band

Sun is up time's at hand  
There's a stir across the land  
And so begins another day  
On life's highway On city streets down country roads  
Like a stream the people flow  
There's bread to win and tolls to pay  
On life's highway There is hope with every turn  
A bridge to build, a bridge to burn  
Heres hoping you never go astray  
On life's highway We are young then we're old  
Passing through then passing on  
Like the roses bloom and fade  
On life's highway Step by step, round and round  
Never knowing where we're bound  
From the cradle to the grave  
On life's highway There is hope with every turn  
A bridge to build, a bridge to burn  
Heres hoping you never go astray  
On life's highway Sun is up time's at hand  
There's a stir across the land  
And so begins another day  
On life's highway
