Rules (feat. K Camp)

Marissa

Don't lie, don't lie,
Keep it real, one hunna
You can have my heart,
take care if you want it!
Just me, just me
If she can have it, I want it
If she can have it, I want it
Selfish! and i know it
Love me, love me,
All of me, but not it all!
Get the time to get to know my perfections and my flaws.
Is that too much to ask, too much to ask?
Am I wanting too much, to want it to last?
I don't mean to psychoanalyze, but a girl is gotta be cautious
Baby, there's a rules to this
You can't play with my love
You can't make the shit up,
You can't make the shit up!
There's a rule to this
If you wanna be with me,
Gotta be me and only me!
Are you sure that you're ready?
Think about it, think about it, think about it There's a rules to this!
There's a rules to this!

OK, girl, tell me when you're ready!
Just by your vibe, you're feeling me,
But I knew it already!
I don't play by rules,
But I know I want you, you, you!
Conversation, steady going steady
He ain't got to ask, I'm with it!

I haven't been with plenty bitches,
But the plenty bitches down never get it.
I don't know, I see more of you, but shit, I can't be wrong
I know you feel this is the way you belong!
Baby, there's a rules to this
You can't play with my love
Don't be making shit up,
You can't make the shit up!

If you wanna be with me,
Gotta be me and only me!
Are you sure that you're ready?
