

# I Love You

## Perry Como

I love you comes the April breeze  
I love you echo the hills  
I love you the golden dawn agrees  
As once more she sees daffodilsIt's spring again  
And birds on the wing again  
Start to sing again  
The old melodyI love you  
That's song of songs  
And it all belongs  
To you and meIt's spring again  
And birds on the wing again  
Start to sing again  
The old melodyI love you  
That's the song of songs  
And it all belongs  
To you and me
