

# Ramblin' Woman

## Cat Power

[Chorus]

Well I love you baby  
But you got to understand  
When the Lord made me  
He made a ramblin' woman  
He made me, he made me Some folks  
Some folks might say that I'm no good  
That I wouldn't settle down if I could  
I love to see the towns go crawling by  
There's something I've got to do  
Before I die [Chorus]

I love you baby  
But you got to understand  
When the Lord made me  
He made a ramblin' woman  
He made me, he made me Some people say  
That I do just fine  
Cause I hear sweet song  
Moving down  
And when that old southern train comes calling me  
There's something over the hill

I just got to see [Chorus]  
Well I love you  
I love you baby  
But you've got to understand  
When the Lord made me  
He made me  
He made a ramblin' woman  
He made me, he made me Now when I'm gone  
When I'm gone and at my grave you stand  
Just say God's called home your ramblin' woman [Chorus]

I love you  
I love you baby  
But you've got to understand  
He made a ramblin' woman  
He made me
