

Big Bang

Revenge

Maybe I'll ask you why, it's so in season
No matter how I try all I need is loving
And your heart will never wonder why
Or even try for nothing
The only thing that I have done
Is live my life to feel the sun Where am I?
And where can I begin?
This time I'll try
In time I'll try to win Now I know if I try, there's seven reasons
And they all seem alive
Because I know they're tearing us apart
All the things I did for you
I never saw them through
The only feelings that live on
Melt inside in spite the sun Where am I?
And where can I begin?
This time I'll try
The shining path of sin Where am I?
And where do I fit in?
Although I wonder if it's true
It floats through me but lives in you Just when I'm feeling so hot
That Heaven seems a mile below
I saw through the pain in your eyes
Hold me, together
Sometimes the truth's a failure
Squeezing life from you and me
Just hold me to stop these feelings, I'm falling Where am I?
And where can I begin?
This time I'll try
The shining path of sin Where am I?
And where do I fit in?
Although I wonder if it's true
It floats through me but lives in you
