One Day (pt. 2)

H.P. Mendoza

One day I'll find my happy place and I ain't gonna share nothing with you cause you've got your own
you your own
One day I'll find my happy place and I'm determined that I'm never gonna find my way back out
my way back out
I know it lies somewhere beyond the clouds and open-air my heart is stopping I don't care I know that I'll be there er er er
One day I'll find my happy place and maybe then I'll find a person who can curl up in my heart
in my heart
One day I'll find my happy place and I'll forget that I was ever in a world that fell apart
fell apart
I know it lies somewhere beyond the clouds and open-air my heart is stopping I don't care I know that I'll be there
One step at a time I climb to the highest point I know that if I try I'll fly so high you won't believe what I can do
its true my happy place is waiting in the sky and I can meet you there
One day I'll find my happy place and now you know the truth about me and I take none of it back
take nothing back
One day I'll find my happy place before today I'll just imagine what it feels like to be there.....to be there
